Win business with Minuteman.*

The Partner Deal Registration Program:

Protect partners with guaranteed pricing on your projects. We provide early engagement between partners & Minuteman on NEW opportunities, and financial advantages over competitors while providing the lowest deal registration threshold.

- **Minimum Deal Registration Requirement:** \$7,500
- **Deal Registration Discount:** Up to 10%
- **Free Freight*:** Provided to a single point location (additional fees not included).
*Excludes Power Cabinets
- **Special Pricing Hold:** Conditions include single purchase and staged rollout options.

Timely approval and processing to help you stay ahead of the competition.

Contact Minuteman Power for more information

Your Preferred Partner for Power Protection Projects

Deal Registration Minimum: To qualify for special pricing, the minimum opportunity size must be \$7,500.

Automatic Discount: Upon successful registration, an automatic discount of up to 10% will be applied to eligible orders.

Formal Quote Agreement: The Deal Registration form is not an approved quote. The sales quote document, sent by a Minuteman representative, is the formal quote and must be included on the purchase order.

Free Freight*: Orders will benefit from free freight to a single specified location, simplifying logistics and reducing costs. Additional accessorial fees, such as limited access, liftgate, or inside delivery are not included.

*Excludes Power Cabinets

Excluded Product Families: Certain product families (MMS Surge Series) are excluded from deal registration. However, volume discounts may still apply.

Special Pricing Hold

Single Purchase Deals: Pricing held up to 90 days.

Staged Rollout Deals: Pricing held up to 60 days. Distributors are required to initially order 25% of the value.
